2. We are grateful to all those who purchased a season ticket ahead of the 2020/21 season in what were uncertain times. We are not out of the Covid woods yet and whilst we had initially wanted to honour the 25% season ticket price discount offer made ahead of last season, the ongoing situation has required the Club to review this offer.

3. The Board decided that it would be unwise for the discount to be applied at this time. Those who purchased but were unable to use their season ticket last season will instead be able to transfer their 2020/21 season ticket payment towards that for the forthcoming season at no additional cost. This includes anyone who attended the Boxing Day 2020 fixture versus Bath City but excludes those who have received a refund of the cost of their 2020/21 season ticket. When ordering your 2021/22 season ticket, please provide your 2020/21 season ticket type and number in addition to your name.

4. We look forward to a better 2021/22 season with our fans in attendance and hope you will take advantage of the new facilities the stadium has to offer whilst supporting the players through the new campaign and restoring the atmosphere undoubtedly lacking behind closed doors.
